All Along The Watchtower

Jimi Hendrix

Form **Am G F G**

Key: A
Tempo: 115
Vocals: JM

Intro Justin starts.

V1 "There must be some kinda way out of here"
Said the joker to the thief
"There's too much confusion,
I can't get no relief
Businessmen, they drink my wine,
Plow men dig my earth
None of them along the line
Know what any of it is worth"

Lead *(Over verse chords)*

V2 "No reason to get excited"
The thief he kindly spoke
"There are many here among
Us who feel that life is but a joke
But, you and I, we've been through that
And this is not our fate
So let us not talk falsely now,
Because the hour is getting late"

Lead *(Over verse chords)*

V3 All along the watchtower
Princes kept their view
While other women came and went
Barefoot servants, too
Outside in the cold distance
A wild cat did growl
Two riders were approaching
And the wind began to howl.

Lead JM with "wind down" to quiet before starting V4.

V4 "No reason to get excited"
The thief he kindly spoke
"There are many here among
Us who feel that life is but a joke.

Outro **NO OUTRO. Hard stop after "joke".**

Althea

Grateful Dead

V1 I told Althea I was feeling lost, lacking in some direction.
Althea told me upon scrutiny that my back might need protection.
I told Althea that treachery was tearing me limb from limb.
Althea told me better cool down boy, settle back, easy Jim.

Lead MV (long)

V2 You may be Saturday's child, all alone, moving with a tinge of grace.
You may be a clown in the burying ground, or just another pretty face.
You may meet the fate of Ophelia sleeping and perchance to dream.
Honest to the point of recklessness, self-centered in the extreme.

Lead PJ (short)

V3 Ain't nobody messing with you, but you, your friends are getting most concerned.
Loose with the truth baby it's your fire, but baby don't get burned.
When the smoke has cleared, she said, that's what she said to me.
Gonna want a bed to lay your head and a little sympathy.

Lead MV (short)

Bridge There are things you can replace, and others you cannot.
The time has come to weigh those things.
This space is getting hot, you know this space is getting hot.

Lead PJ (long)

V4 I told Althea I'm a roving son, and I was born to be a bachelor.
Althea told me, okay, that's fine, so now I'm trying to catch her.
Can't talk to you without talking to me, we're guilty of the same old thing.
Been talking a lot about less and less and forgetting the love we bring.

Lead MS (long)

Phish

- V1** From out of the chaos a wave appears
In the moonlit confusion
Irons melted, coming Grace, no longer frozen
- V2** The pillow drowns the moans and shallow breaths
As dancing silvery rays change, each wave eyes a star
And the swollen moon hangs over the water
- V3** Reflections guide the way, gold maze mirrors
As the night wheels turn
Shipwrecks sway, steel mast crashes, spin green sky
- Chorus** I have grown my wings, I am flying
Ascending now, I am soaring
Untied my wrists, and flew away
This too shall pass, this too shall pass

On a warm spring day some thirty years ago
My best friend stayed in line when I didn't have the time
Deadhead Debbie shared our tent at night

We shared the men and women and the wine
Way, way back in 79, way, way back in 79

V2 My best friend well he went out with my girlfriend
Then my best friend's girlfriend, she became my wife
Some people said we're crazy, others, that's just life,
We're still together despite the tears and strife

We were learning, sometimes failing, to be kind
Way, way back in 79, way, way back in 79

V3 We saw Jerry for the last time in Hawaii
He came back out to play Midnight Moonlight
My daughter knew the words from the bedtime songs she'd heard
Jerry looked down at her and smiled

Chorus 3 Way, way back in 79, some said the Dead were starting to decline
We had so much future, so much time
Way, way back in 79, way, way back in 79

Lead | : G / / / | Am / / / | C /// : |

V4 Our children like to camp out with the jam bands
High Sierra, Hornings Hideout, Bonaroo
My best friend gets them backstage even though they're under age
They dance between the stars and morning dew

V1 When I jumped off, I had a bucket full of thoughts

It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again

You know I'll never look back again
I turn my face into the howlin' wind
It took me a long time to get back on the train

Leave the presents all inside, Take my hand and let's take a ride

Or whisper it into his ear, Or write it down, just don't miss a year

Intro PJ gtr lick > drum fill > add rest (mellow)

Key: C

Tempo: 90

Vocals: PJ

V1 Climb that hill, stay on your feet
Scramble for your footing when it gets too steep
You're on the highway now with higher hopes
While all around are rolling eggs with living yokes
You never get too sad, you never get too blue
It must be all the chemtrails raining down on you
The justice of the peace can't help you anymore
And they just took the covers off the justice of war

Chorus You got your nice shades on, and the worst days are gone,
So now the band plays on, you've got one life, blaze on!
You got your nice shades on, and the worst days are gone
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2 The storm is passing through, lay down your sticks and stones
The struggle's over now, we're all just flesh and bones
We were wrong before, it was wrong to trust
The shadows cast were only light and dust
And then one day you'll find to your intense delight
That 3 wrong turns can really make a right
So why not be like me? Be proud of all your crimes
Cause when i screw up once, I do it 2 more times
(Chorus)

V3 And we'll be dancing in the fields, running through the moor,
Tripping on the barbed wire, buried near the shore.
Blazing like a comet brighter than the full moon.
So you better get ready, cause a change is coming soon,
I met a liar, called the messiah, I got the frying pan, I wanted fire,
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.
(Chorus)

Intro **Vamp in A**

V1 Since it costs a lot to win, and even more to lose,
You and me got to spend some time wondering what to choose.
Goes to show, you don't ever know,
Watch each card you play and play it slow.
Wait until that deal come 'round,
Don't you let that deal go down, no no.

V2 I've been gambling hereabouts for ten good solid years,
And if I told you all that went down it would burn off both your ears.
Goes to show, you don't ever know,
Watch each card you play and play it slow.
Wait until that deal come 'round,
Don't you let that deal go down, no no.

Lead **Verse chords**

V3 Since you poured the wine for me and tightened up my shoes,
I hate to leave you sitting there composing lonesome blues.
Goes to show, you don't ever know,
Watch each card you play and play it slow.
Wait until that deal come 'round,
Don't you let that deal go down, no no.

Dire Wolf

Grateful Dead

**In the timbers of Fennario, the wolves are running round,
The winter was so hard and cold, froze ten feet 'neath the ground.
Don't murder me, I beg of you don't murder me.
Please don't murder me.**

**I sat down to my supper, twas a bottle of red whiskey.
I said my prayers and went to bed, that's the last they saw of me.
Don't murder me, I beg of you don't murder me.
Please don't murder me.**

**When I awoke, the dire wolf, six hundred pounds of sin,
Was grinnin' at my window, all I said was "Come on in"
Don't murder me, I beg of you don't murder me,
Please don't murder me.**

**The wolf came in, I got my cards, we sat down for a game.
I cut my deck to the queen of spades but the cards were all the same.
Don't murder me, I beg of you don't murder me.
Please don't murder me.**

**In the backwash of Fennario, the black and bloody mire,
The dire wolf collects his due while the boys sing 'round the fire.
Don't murder me, I beg of you don't murder me.
Please don't murder me.**

Eyes Of the World

Grateful Dead

- V1 Right outside this lazy summer home
You ain't got time to call your soul a critic, no.
Right outside the lazy gate of winter's summer home
Wonderin' where the nut thatch winters, wings a mile long
Just carried the bird away.
- Chorus Wake up to find out that you are the eyes of the world.
The heart has its beaches, its homeland and thoughts of its own.
Wake now discover that you are the song that the morning brings.
The heart has its seasons, its evenings and songs of its own.
- Lead *PJ Lead (Emaj7 Bm)*
- V2 There comes a redeemer and he slowly too fades away.
There follows his wagon behind him that's loaded with clay.
The seeds that were silent all burst into bloom and decay,
Night comes so quiet, it's close on the heels of the day.
Chorus
- Lead *MV Lead (Emaj7 Bm A)*
- V3 Sometimes we live no particular way but our own.
Sometimes we visit your country and live in your home.
Sometimes we ride on your horses, sometimes we walk alone,
Sometimes the songs that we hear are just songs of our own.

Fire on the Mountain

Grateful Dead

Key: B
Tempo: 76
Vocals: JM

V1 Long distance runner, what you standin' there for?
Get up, get out, get out of the door
Your playin' cold music on the barroom floor
Drowned in your laughter and dead to the core.
There's a dragon with matches that's loose on the town
Takes a whole pail of water just to cool him down.
Fire! fire on the mountain!

Lead **MV Lead**

V2 Almost ablaze still you don't feel the heat
It takes all you got just to stay on the beat.
You say it's a livin', we all gotta eat
But you're here alone, there's no one to compete.
If mercy's a business, i wish it for you
More than just ashes when your dreams come true.
Fire! fire on the mountain!

Lead **PJ -> JM**

V3 Long distance runner, what you holdin' out for?
Caught in slow motion in a dash for the door.
The flame from your stage has now spread to the floor
You gave all you had. why you want to give more?
The more that you give, the more it will take
To the thin line beyond which you really can't fake.
Fire! fire on the mountain!

Grateful Dead

Intro || : A G/D G/A : ||

Your eyes looked from your mother's face
Wildflower seed on the sand and stone
May the four winds blow you safely home
Roll away the dew (4x)

In Franklin's tower there hangs a bell
It can ring, turn night to day
It can ring like fire when you lose your way
Roll away the dew (4x)

V3 God save the child that rings that bell
It may have one good ring baby, you can't tell
One watch by night, one watch by day.
If you get confused listen to the music play

Some come to make it just one more day
Whichever way your pleasure tends
If you plant ice you're gonna harvest the wind.

Grateful Dead

**We can share the women, we can share the wine
We can share what we've got of yours 'cause we done shared all of mine.
Keep on rollin', just a mile to go,
Keep on rollin', my old buddy, you're movin' much too slow.**

**I just jumped the watchman, right outside the fence,
Took his rings, four bucks in change, ain't that heaven sent?
Hurts my ears to listen, Shannon, burns my eyes to see,
Cut down a man in cold blood, Shannon, might as well been me.**

**We used to play for silver, now we play for life;
And one's for sport and one's for blood at the point of a knife.
And now the die is shaken, now the die must fall;
There ain't no winner in the game, he don't go home with all,
Not with all.**

**Leavin' Texas, fourth day of July,
Sun so hot, the clouds so low, the eagles filled the sky.
Catch the Detroit Lightning out of Santa Fe,
The Great Northern out of Cheyenne from sea to shining sea.**

**Gotta go to Tulsa, first train we can ride,
Got to settle one old score, one small point of pride.
Ain't no place a man can hide, Shannon, to keep him from the sun;
Ain't no bed can give us rest, now, you keep us on the run.**

**Jack Straw from Witchita cut his buddy down,
And dug for him a shallow grave and laid his body down.
Half a mile from Tuscon, by the morning light,
One man gone and another to go, my old buddy you're moving much too slow.**

We can share the women, we can share the wine.

To uncover the source of the tears that you cried
Let's throw it away and just go for a ride

But time is a river that flows through the woods
And it led us to places we both understood
Would be gone before too long, would be gone before too long
- V4 When we were young we thought life was a game
But then somebody leaves you and you're never the same
All of the places that people belong
To the puzzle but one of the pieces is gone
And it's you, it's you, it's you, Joy it's you
Chorus
- V5 In time we'll weather this storm
Inside together you'll see the change
When the sun shines through

Miss You

Phish

Intro | : F# / E B : |

V1 You're smiling at me, from your picture frame,
and I miss you
My life keeps on changing, but you stay the same,
and I miss you
So many moments, that we should have shared,
I miss you
And the days turn to years, and it hasn't stopped yet
The memories we shared, I will never forget
No I will never forget

V2 There's a hole in my heart, that'll never be filled, I miss you
This all should get easier, but it never will, I miss you
I float through the days, and the long lonely nights, I miss you
And I hear your footsteps, you're coming down the stairs
Lost in your laughter, the sun in your hair
A brief recollection, the light in your eyes,
I see the reflection, but it passes by
It passes me by

V1 Easy now, easy now. Easy now, easy now.
I wake up in my bed with monsters in my head

Easy now, easy now. Easy now, easy now.
I wake up in my bed with monsters in my head

Has clouded my vision for so long
And I recall a time when I used to belong

The wreckage of the past
And the fear of tomorrow haunts my mind
I'm searching for a way to make it all rewind

More

Phish

- V1** Life in slow motion, feet are in the clay
I'm going nowhere, been standing here all day
I had a notion, there was something more to do
As I watched the water, from the banks of the river it swelled and grew
And I tilt to the left, lean to the right, tilt to the left and lean to the right
Walked on coal and slept on glass, amid swords of sound and daggers of light
And my heart is screaming,
cause half of what I say is lies, and it takes so much to keep up this disguise
It takes so much to keep up this disguise
- V2** I see a doorway in the haze and I'm trying to get to it
The stars are peepholes in a wall but we can walk through it
The memory is still so real, the memory's still so real
I guess it's never really over even when it's over
- Chorus** But I'm vibrating with love and light, pulsating with love and light
in a world gone mad, a world gone mad, there must be something more than this
I'm vibrating with love and light, pulsating with love and light
in a world gone mad, a world gone mad, there must be something more than this
- V3** The trumpet call is sounding, the trees are bending low
There's a great fire in the distance, there must be something more than this
And our shadows will all be dancing, with red dust on our clothes
And we'll leave by tornado, elbows in the clouds and feet in the sky
- Chorus

Key: G

- V1 Several times unconsciously I've stumbled on the path
And seen a mountain in the mist
As rain falls on my shoulders, sun rises in the east
I'm worn and bruised, but I am here at least
- V2 I guess I'm just an obstacle a thing to overcome
If I can sneak around myself again I'll know I've won
The moment seems to hang and float before me with no end
til I'm released, awakened beast, I'm on the road again
- Chorus But now I'm soaring far too high
A fleck of dust up in the sky where
tiny clouds go sailing by
Pull me down today
- V3 Woven in the fairy tales we fabricate each day
Are little golden strands of truth that glimmer in the light
The colorful material you hold a certain way
Can keep us from the cold and help to get us through the night

My Sisters and Brothers

Jerry Garcia Band

V1 I want to say to my sisters and my brothers, "Keep the Faith"
When the storm flies and the wind blows go on at a steady pace
When the battle is fought and the victory is won
We can all shout together we have overcome
We'll talk to the Father and the Son when we make it to the Promised Land.

Key: A
Tempo: 70
Vocals: JM

Chorus If we walk together little children, we don't ever have to worry
Through this world of trouble, we got to love one another
Let us take our fellow man by his hand, try to help him to understand
We can all live together forever and ever When we make it to the Promised Land.

V2 Our Bible reads, "Thou shall not be afraid"
Of the terror by night nor the arrow which flies by day
Nor for the pestilence that waiteth in the darkness
Nor for the destruction that waiteth in the noon day hour.

Chorus

Lead

V3 This World is not our home, we are only passing through.
Our trail is all made up, way beyond the blue.
Let us do the very best that we can, While we're traveling through this land
We can all live together shaking our hands when we make it to the Promised Land.

Chorus

Outro Make it to the Promised Land, make it to the Promised Land.

V1 Please don't dominate the rap Jack, If you got nothin' new to say.
If you please, don't back up the track, This train's got to run today.
I spent a little time on the mountain, Spent a little time on the hill.
I heard some say, better run away; Others say better stand still.
Now I don't know but I been told It's hard to run with the weight of gold
Other hand, I've heard it said, It's just as hard with the weight of lead

Lead [MV lead](#)

V2 Who can deny, who can deny, It's not just a change of style.
One step done and another begun, And I wonder how many miles.
I spent a little time on the mountain, Spent a little time on the hill,
Things went down we don't understand But I think in time we will
Now, I don't know, but I was told In the heat of the sun a man died of cold
Keep on comin' or stand and wait With the sun so dark and the hour so late.

Lead [MS lead](#)

V3 You can't overlook the lack, Jack, Of any other highway to ride,
It's got no signs or dividing lines, And very few rules to guide.
I spent a little time on the mountain, Spent a little time on the hill,
I saw things getting out of hand I guess they always will.
Now I don't know but I've been told If the horse don't pull you got to carry the load.

V1 Just like Jack the Ripper, just like Mojo Hand,
Just like Billy Sunday in a shotgun ragtime band,

One heat up and one cool down and leave nothing for the tailor.

One go up, and one go down, do yourself a favor.
Did you say your name was Ramble on Rose?
Ramble on baby, settle down easy, Ramble on Rose.

I'm gonna march you up and down along the county line,
Take you to the leader of the band.

Grateful Dead

Key: E

Vocals: JM

- V1 As I was walking round Grosvenor Square,
Not a chill to the winter, but a nip to the air.
From the other direction she was calling my eye.
It could be an illusion, but I might as well try, might as well try.
- V2 She rings on her fingers and bells on her shoes,
and I knew without asking she was into the blues.
She wore scarlet begonias tucked into her curls
I knew right away she was not like other girls, other girls.
- V3 In the thick of the evening when the dealing got rough,
She was too pat to open and too cool to bluff.
As I picked up my matches and was closing the door,
I had one of those flashes I'd been there before, been there before.
- Bridge Well I ain't often right, but I've never been wrong,
seldom turns out the way it does in the song.
Once in a while you get shown the light
in the strangest of places if you look at it right.
- V4 Well there ain't nothin wrong with the way she moves
or scarlet begonias or a touch of the blues.
There's nothing wrong with the love that's in her eye.
I had to learn the hard way to let her pass by, let her pass by.

Tried yesterday to get away and hitchhiked to the beach

Interlude 1

V2 The muscles flex the mother's ring, she fastens children to her king
And sends him down the crooked street, When he returns, the birth's complete

The sun tips off the monarch's suit from sequined sash to shiny boot
"I'd like to lick the coil some day, like Iccarus, who had to pay
with melting wax and feathers brown, he tasted it on his way down"

Bark a scruff and go to jail! Forge the coin and lick the stamp!

They Love Each Other

Grateful Dead

Mary run around, sailin' up and down,
Looking for a show in some direction.
Got it from the top, it's nothing you can stop,
Lord, you know they made a fine connection. They love each other,

Lord you can see that it's true (x3)

He could pass his time, around some other line
But you know he chose this place beside her.
Don't get in their way, there's nothing you can say,
Nothing thay you need to add or do. They love each other.

It's nothing they explain, it's like a diesel train
You better not be there when it rolls over.
And when that train rolls in you don't know where it's been,
You gotta try and see a little further. They love each other.

Together more or less in line, just keep truckin' on.
- V1** Arrows of neon and flashin marquees out on Main Street
Chicago, New York, Detroit and it's all on the same street

Got a tip they're gonna kick the door in again
I'd like to get some sleep before I travel
but if you got a warrant, I guess you're gonna come in.
Busted down on Bourbon Street, set up like a bowlin' pin
Knocked down, it gets to wearin' thin, they just won't let you be.

get tired of travelin', you want to settle down.
