# Back on the Train

## Phish

- F9**  
V1 When I jumped off, I had a bucket full of thoughts  
Bb Ab  
When I first jumped off, I held that bucket in my hand  
F9  
Ideas that would take me all around the world  
Bb Ab  
I stood and watched the smoke behind the mountain curl  
Eb Bb Ab F9  
It took me a long time to get back on the train
- V2 Now I'm gone and I'll never look back again  
I'm gone and I'll never look back at all  
You know I'll never look back again  
I turn my face into the howlin' wind  
It took me a long time to get back on the train
- V3 See my face in the town that's flashing by  
See me standing at the station in the rain  
See me standing there beside the car  
I left it all behind, again I'll travel far  
It took me a long time to get back on the train
- V4 When I jumped off, I had a bucket full of thoughts  
When I first jumped off, I held that bucket in my hand  
Ideas that would take me all around the world  
I stood and watched the smoke behind the mountains curl  
It took me a long time to get back on the train  
It took me a long time to get back on the train

# Big River

## Grateful Dead

**A**  
Chorus Well I taught that weeping willow how to cry cry cry,  
Taught the clouds how to cover up a clear blue sky.  
**B E**  
**A D**  
Tears I cried for that woman are gonna flood you big river,  
**A E7 A**  
And I'm a gonna sit right here until I die.

V1 I met her accidentally in St. Paul, Minnesota,  
She tore me up every time I heard her drawl that southern drawl.  
Well I heard my dream went back downstream, cavortin' in Davenport,  
And I followed you big river when you called.

### *Chorus*

V2 Well I followed her down to St. Lou, later on down the river,  
Trader said she's been here, but she's gone, boy, she's gone.  
Well I followed her down to Memphis, but she just walked off the bus,  
She raised a few eyebrows and she went on down alone.

### *Chorus*

V3 Well I've gotten on down to Baton Rouge, River Queen roll on,  
Take that woman down to New Orleans, New Orleans.  
I give up, I've had enough, followed my blues on down to the gulf,  
She loves you big river more than me.

### *Chorus*

# Blaze On

## Phish

V1  
Climb that hill, stay on your feet  
Scramble for your footing when it gets too steep  
You're on the highway now with higher hopes  
While all around are rolling eggs with living yokes  
You never get too sad, you never get too blue  
It must be all the chemtrails raining down on you  
The justice of the peace can't help you anymore  
And they just took the covers off the justice of war

Chorus  
You got your nice shades on, and the worst days are gone,  
So now the band plays on, you've got one life, blaze on!  
You got your nice shades on, and the worst days are gone  
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2  
The storm is passing through, lay down your sticks and stones  
The struggle's over now, we're all just flesh and bones  
We were wrong before, it was wrong to trust  
The shadows cast were only light and dust  
And then one day you'll find to your intense delight  
That 3 wrong turns can really make a right  
So why not be like me? Be proud of all your crimes  
Cause when i screw up once, I do it 2 more times

### Chorus

V3  
And we'll be dancing in the fields, running through the moor,  
Tripping on the barbed wire, buried near the shore.  
Blazing like a comet brighter than the full moon.

**G**  
So you better get ready, cause a change is coming soon,  
**F** **C** **G** **C**  
I met a liar, called the messiah, I got the frying pan, I wanted fire,  
**F** **C** **G**  
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.

**Chorus**

**Jam** Bb -> C riff into jam in C.

**Outro** Bb -> C riff and "Blaze On" repeated.

# Franklin's Tower

## Grateful Dead

**Intro** ||: A G/D G/A :||

**V1** In another time's forgotten space  
Your eyes looked from your mother's face  
Wildflower seed on the sand and stone  
May the four winds blow you safely home  
Roll away the dew (4x)

**V2** I'll tell you where the four winds dwell  
In Franklin's tower there hangs a bell  
It can ring, turn night to day  
It can ring like fire when you lose your way  
Roll away the dew (4x)

**V3** God save the child that rings that bell  
It may have one good ring baby, you can't tell  
One watch by night, one watch by day.  
If you get confused listen to the music play

**Lead** rip it

**V4** Some come to laugh their past away  
Some come to make it just one more day  
Whichever way your pleasure tends  
If you plant ice you're gonna harvest the wind.  
Roll away the dew (4x)

**V5** In Franklin's tower the four winds sleep  
Like four lean hounds, the lighthouse keep  
Wildflower seed on the sand and wind  
May the four winds blow you home again  
Roll away the dew (8-12x)

**Outro** A C B->A
