```
          D                  C                  G
I'm the man on the mountain, come on up
D                        C                        G
I'm the plowman in the valley with a face full of mud
          C                                   G
Yes I am fumbling and I know my car won't start
          C                                   G
Yes I am stumbling and I know I play a bad guitar
D              C                      G
Give me little drink from your loving cup
D         C                    G
Just one drink and I'll fall down .... drunk
```

V2
```
I'm the man who walks the hillside in the sweet summer sun
I'm the man who brings you roses when you ain't got none
Well, I can run and jump and fish, but I won't fight
You if you want to push and pull with me all night
Give me little drink from your loving cup
Just one drink and I'll fall down drunk
```
