Mountains in the Mist Phish

- V1 Several times unconsciously I've stumbled on the path And seen a mountain in the mist As rain falls on my shoulders, sun rises in the east I'm worn and bruised, but I am here at least
- V2 I guess I'm just an obstacle a thing to overcome If I can sneak around myself again I'll know I've won The moment seems to hang and float before me with no end til I'm released, awakened beast, I'm on the road again
- Chorus But now I'm soaring far too high A fleck of dust up in the sky where tiny clouds go sailing by Pull me down today
- V3 Woven in the fairy tales we fabricate each day Are little golden strands of truth that glimmer in the light The colorful material you hold a certain way Can keep us from the cold and help to get us through the night *Chorus*
